

**Email 1:**

**Subject: Facia | Verify Anyone From Anywhere in Under One Second**

Hi [First Name],

I trust this email finds you well.

I'm [Affiliate name], I am writing today because we are a market-leading SaaS company offering world-class face verification and liveness detection solutions to help businesses fight identity and financial fraud.

In today's ever-evolving digital landscape, ensuring the utmost security and trustworthiness is paramount for businesses and organisations of all sizes. You might be one of them. That's why we are excited to introduce our cutting-edge Face Verification solutions designed to safeguard your operations and enhance user experiences.

**Why Choose Facia?**

- **Lightning Fast Verification:** Save your users' time by detecting liveness in less than a second.
- **Seamless Integration:** Our solutions are designed with easy integration in mind and compatible SDKs For iOS & Android.
- **Enhanced Security:** Say goodbye to traditional methods of authentication. Our technology provides a secure, frictionless, and contactless way to verify identities using a facial scan.
- **Works with Accessories:** Our 3D Biometric Authentication system verifies users with glasses, makeup, and beards.
- **Secure Data Storage:** Ensure your customer's data is safe and secure.
- **Privacy:** Compliant with GDPR regulations, we offer on-premise solutions to fortify trust between companies dealing with sensitive data.

Are you ready to unlock the potential of facial biometric technology and engage with your customers? Learn more and sign up here!
